NOTE 1: This verification is an integral part of the full test report(s) and must be read in conjunction with it.

This Verification of Conformity summarizes the test results for the product samples submitted for evaluation. Testing was conducted in accordance with the applicable standards and confirms that the listed product(s) complies with the essential protection requirements of the Directive, based on the technical specifications in effect at the time of issue. This Verification of Conformity is issued on a voluntary basis under the Directive referenced above and pertains solely to the specific sample(s) assessed.

This Verification does not substitute for a formal EU Declaration of Conformity (DoC) and does not authorize the affixation of the CE Marking. Upon completion preparation of the required documentation and verification of full compliance with all applicable EU directives, the manufacturer may issue the DoC under its sole responsibility and apply the CE marking.
